

Detachable Strip Mop Refill with 48" Metal Handle

This blue and white strip mop refill is long lasting, lightweight, washable and lint-free. Great way to clean your floors without leaving a filament.

The Detachable Strip Mop Refil is a yacht style mop crafted with synthetic non-woven yarn. This refill is designed to provide a thorough and efficient cleaning experience for all floor surfaces. Featuring a non-linting material, the Yacht Strip Mop Refill ensures that your floors are left spotless without any pesky fibers. Additionally, this refill is lightweight and long-lasting, allowing you to clean with ease without the hassle of constantly replacing your mop. Pair it with a [48" threaded metal handle](#) and wring it with a [down press](#) or [side press wringer](#).
