

# EZ-Push Waste Containers

M2's New EZ-Push Series of Square Waste Containers complete with Lids are made of strong durable plastic. They feature a smooth push-open door which conceals trash and contain odors. The removable lid makes for easy cleaning and effortless trash removal. The ergonomically designed handles make lifting simple. Our EZ-Push Series of Waste Containers are available in 25L, 40L, 60L, 100L and a Slim Rectangular 60L size to fit in tight spaces. Ideal both indoor or outdoor. Colour: Grey
